AMEND Senate Bill No. 1299

House Bill No. 272*

by deleting the amendatory language of Section 1 and substituting the following:

(e) An unlicensed person may make a referral to a licensed insurance producer if the person does not discuss the specific insurance policy terms and conditions. Except as prohibited by federal law, the unlicensed person may be compensated for the referral. However, an unlicensed person who is neither employed by nor affiliated with the licensed insurance producer may be compensated only if the compensation is a fixed dollar amount, not to exceed twenty-five dollars (\$25.00) or such lesser amount as the commissioner may establish by rule, for each referral. In either event, the referral compensation must not depend on whether the referred customer purchases an insurance product from the licensed insurance producer.
